Cheer Xpress Summit Cheerleading Championships Sponsorship Application

Cheer Xpress is a competitive all-star cheerleading, dance and tumbling program, dedicated to the healthy growth and development of today's youth. Our goal is to develop strong individuals mentally and physically so they are prepared for all of the challenges they will face on and off the competition floor as well as throughout life. In May, athletes from the Cheer Xpress will be traveling to Orlando, Florida, representing our community, the state of Nebraska and the Summit Cheerleading Championships. We have qualified and were awarded a very selective bid invitation to compete at this prestigious event and support from community businesses and individuals will help get our team there.
